

# Sammy Davis, Jr., The People Tree

Hay,  
Wouldn't it be nice to make a people tree.  
The likes of you,  
The likes of me.  
We can do it very easily.  
We barely even have to try.  
Let a little time go by.  
And pretty soon before we know it.  
(soon before we know it)

Suddenly the two of us are one, two, three.  
And there we see, our people tree.  
Soon the score is up to four or more.  
As other little branches grow.  
(Other little branches grow)  
That's the way it's meant to go.  
And there's no way I know to slow it.  
(There's no way to slow it)

(What a source of mutual satisfaction when we see the tree bare room)  
Evidence beyond dispute of all our mutual attraction.

Nothing is as lovely as a people tree.  
(the people tree)  
I think that we  
(I'd think that we)  
Would all agree  
(would all agree)

Of the miracles that God created.  
Rated number one.  
Would have to be the people tree.
