

Sammy Hagar, Deeper Kind Of Love

A deeper kinda love
Has no borderlines, no ties
A deeper kinda love
Can bring you down and lift you up so high
A phoenix starts to rise from the ashes inside my soul
Leaving old wounds behind, a new me is born
And you show me your world
So dangerous, but I let go
And when I fall, I fall deep
Into a deeper kinda love
A deeper kinda love
Can also bring hurt and pain
And in the shadow that it casts
Lies jealousy, fear, and hate
The more I have to win means the more I have to lose
And it hits home
And when I think of losing you
And your deeper kinda love
You've shown me a world
So dangerous, still I let go
And when I fall, I fall deep
Into a deeper kinda love
A deeper kinda love
Has no borderlines, no ties
A deeper kinda love
Can bring you down and lift you up so high
A phoenix starts to rise from the ashes inside my soul
Leaving old wounds behind, a new me is born
And you show me your world
So dangerous, but I let go
And when I fall, I fall deep
Into a deeper kinda love
Show me your world
A deeper kinda love
Show me your world
A deeper kinda love
Show me your world
A deeper kinda love
Show me your world
Just show me your world
Show me your world
A deeper kinda love
Show me your world
A deeper kinda love
Show me your world
A deeper kinda love ...
