

Sammy Hagar, I Love This Bar

Well, we got winners
we got losers
chain smokers and boozers
and we got high techs
we got bikers
and plenty of thirsty hitchhikers
And the girls next door dress up like movie stars
Hmm, hmm, hmm I love this bar

We got divorcees and a big ol' bouncer man
We got dancing girls
We got a damn good band
We got waitresses yeah we got bar flies
We got a dumb ass
We got a wise guy
And if we get too drunk you can sleep out in your car
Hmm, hmm, hmm I sure love this bar

I love my bar
my kind of place
where just walking through that front door it puts a big smile on my face
no cover charge
come as you are

Hmm, hmm, hmm whoo I love this bar

I like my truck
I like my old lady
I like to take her out to dinner
take in a movie now and then
but I love my bar
It's my kind of place
Where just strolling around the dance floor keeps a big smile on my face
It ain't too far
so come as you are
Hmm, hmm, hmm I sure love this bar

cause we got red heads
We got deadheads
we got a bunch of juicers and potheads
and we got cabo
now we got tahoe
come on baby the whole world's gonna wabo
and we all know just exactly who we are (don't we now)
Hmm, hmm, hmm I love this bar, well
Hmm, hmm, hmm I love this bar, whoo yes i do
ya man, uhh
