

Sammy Hagar, Marching To Mars

Here we go marching to Mars
On a rainbow bridge, it don't seem so far
Steppin' into our universe
Moving towards life to solve the problems on Earth

Marching to Mars

Everybody's marching to Mars
Gonna settle down there, get me a house and a car
Save each other from ourselves
Poke our heads out of the sand sayin', "Here I am"

Marching to Mars
We're marching to Mars
Woah, here we go

"(Ooh, ha, ooh, ha)"
"(Ooh, ha, ooh, ha)"
Oh, yeah
Oh

Hollywood's marching to Mars
For a brand new movie with some brand new stars
Plastered on the silver screen
Gonna bring it on home, so you won't have to leave now

Is there life in the universe?
"(Yes there's life in the universe)" Wooh
We'll find God in the universe
"(We'll find God but we'll find life first)"

Oh, let's go
Marching to Mars
Marching to Mars
We're marching to Mars
Marching to Mars

Oh, let's go, wooh
Everybody now
Marching to Mars

Yeah, yeah
We'll find God in the universe
"(We'll find God but we'll find life first)"
We'll find life in the universe, wooh

Is there life in the universe?
"(Yes there's life in the universe)"
We'll find life in the universe

Yeah, marching to Mars
We're marching to Mars
We're marching to Mars
