

# Sammy Hagar, There's Only One Way To Rock

I've heard it called by different names  
All over the world, but it's all the same  
Now there's so many ways to make love  
A million ways I been thinking of, oh yeah

But there's only one way  
There's only one way to rock, yeah

So many things can get you high  
I'm gonna try 'em all just once before I die  
And you can analyze this situation  
To me it's all just mental masturbation, huh

There's only one way  
There's only one way to rock  
There's only one way  
There's only one way to rock, ow

Now quickly, check the hands on the clock  
It's 8:05, it's time to rock

And this world can disagree  
They don't understand how it can be  
And it's not my point of view  
It's a fact and you know that it's true, huh, oh yeah

There's only one way  
There's only one way to rock  
There's only one way  
There's only one way to rock, yeah

Crank up the drums, crank out the bass  
Crank up my Les Paul in your face, yeah

There's only one way  
There's only one way to rock  
There's only one way  
There's only one way to rock  
There's only one way  
There's only one way to rock

There's only one way  
There's only one way  
There's only one way to rock  
Yeah, to rock  
To rock, ow  
One way to rock, ah, huh
