

Sammy J, Duets

Sammy #1:
Sometimes I get lonely, sometimes I get down
Underneath this smile lies a miserable clown
I feel just like I'm searching for something I'll never find
If you could only hear the voices or the demons in my mind

Sammy #2:
Because I have to sing my duets on my own

Sammy #1:
Have to sing my duets on my own

Sammy #2:
Have to sing my duets on my own
It's hard to do

Sammy #1:
So hard to do

Both:
There's only one of us, not two
So hard to do, Sammy, if they only knew

Sammy #2:
Sometimes I get lonely, sometimes I get down

Sammy #1:
(Don't you be lonely any more, no need to be)

Sammy #2:
Underneath this smile lies a

Both:
Miserable clown

Sammy #2:
I feel

Both:
Just like you're searching for something you'll never find
If they could only hear the voices or the demons in my mind

Sammy #2:
Because I have to sing my duets on my own

Sammy #1:
Have to sing my duets on my own

Sammy #2:
Have to sing my duets on my own
Oh Sammy J, I love you so

Sammy #1:
That's a little bit freaky

Sammy #2:
Please promise me you'll never go

Sammy #1:
You know I'd never leave you

Both:
We will always have each other, I love you
And we will always sing my duets on my own

Sammy #2: "(spoken)"
I love it when you touch me.

Sammy #1: "(spoken)"
Dude, shut up!

Sammy #2:
I need some love like I've never needed love before

Sammy #1:
Gonna make love to you, baby

Both:
Then I go and spoil it all by saying something stupid

Sammy #2:
A whole new world

Sammy #1:
Don't you dare close your eyes

Sammy #2:
With new horizons to be seen

Sammy #1:
Hold your breath, it gets better

Both:
I'll chase them anywhere
There's time to spare
Let me share this whole new world with you

Sammy #2:
Now the song is ending, let us go back to the start

Sammy #1:
Go back to the start

Sammy #2:
Everything I knew before I

Both:
Found inside my heart
Now that we're together, nothing can tear us apart
Except a chainsaw, or a bushfire, or a dagger to the heart

Sammy #2: "(spoken)"
Did you just rhyme "heart" with "heart"?

Sammy #1: "(spoken)"
Fuck off!

Sammy #2:
Oh Sammy J, I love you so

Sammy #1:
Okay, we've been through this before

Sammy #2:
Please promise me you'll never go

Sammy #1:
We've got to get out of the tent

Both:
Now it's time to say goodbye
I love you

Sammy #2:
Till the day I die

And we will al-
