

Samson, It's Not As Easy As It Seems

Can you hear me?
I ain't running away
Don't think you'd save me
Save me for a rainy day

You're just hanging on to a daydream
It's not as easy
It's not as easy as it seems

Would you take me
If I came back in a while
Or is your freedom
So much roll within a country mile

You're just drowning
In a river full of tear drops
I think it's high time
High time for those tears to stop (stop, stop...)

SOLO

repeat 1st verse
("can you hear.....as easy as it seems")
