Sanatorium, The False Prophet

Purposeful lie every day harped on bullshit a man gradually belives that the help really is in phone he dials a number nice voice is responding and it starts blabing bullshit it gives hope, promising future but it only takes away money and illusions

Fucked up whore lives already for 1000 years rot and fraud radiates from her rotten gob

Symbol of abomination and degeneration false horoscopes and predictions

My name is Theodor or Izabel I am an old cockeyed cunt I haven't under control even my very life but I can help to you all
