

Sandra, Dear God... If You Exist

Our Father in heaven
Help
Holy be your name
I need some proof of your existence

When I was a child - you were never here
You let my brother see the light of day - disabled
Where were you at that time
Busy - with trivialities
Where were you
Dear God... if you exist

Our Father in heaven
Holy be your name
Your kingdom come
Your will be done
Our Father in heaven - dear God!
Holy be your name - dear Father!
Your kingdom come - can you spare some time for me
Your will be done - just for a second
Help me!

And now - no longer alone in this world
How shall I give them an example
(Our Father)
And tell my children
They must find out for themselves
Where are you
Dear God... if you exist

Our Father in heaven - dear God
Holy be your name - holy be your name
Your kingdom come - your kingdom come
Your will be done - dear God!, dear God!
Our Father in heaven - dear God!
Holy be your name - dear Father!
Your kingdom come - can you spare some time for me
Your will be done - just for a second

Hilfe!
