

# Sandra, Mirror Of Love

walk of life  
feels so nice  
an' here's  
the perfect place  
paradise  
can't be nice  
for you  
if you can feel  
an' you know you can't be cheated of your life

in the mirror of love  
please feel me  
we'll be drivin' away  
the walk of life  
in the mirror of love  
please feel me  
an' i wish you would stay

it's in the mirror of love  
flyin' away  
it's caught in crystal ice  
in the mirror of love

fail your try  
fail to cry  
so warm  
the walk of life  
stay in trance  
leave your chance  
they call  
an' you're not there  
an' you know you can't be cheated of your life

in the mirror of love  
please feel me  
we'll be drivin' away  
the walk of life  
in the mirror of love  
please feel me  
an' i wish you would stay

it's in the mirror of love  
flyin' away  
it's caught in crystal ice  
in the mirror of love
