

# Sandra, The Skin I'm In

people say  
i need a new direction  
people say  
that i won't last

people change  
opinions with their dresses  
i have learned  
how to protect

i don't need  
to run for cover  
always feel  
like i am home

i don't care  
what people think  
it's just because  
i like the skin i'm in  
come what may  
my love is true  
it's double shelter  
when i'm with you

can't deny  
you're scared of their reaction  
just understand  
what's on my mind

my only fear  
is love won't last forever  
come over here  
and look me in the eye

you don't need  
to run for cover  
make you feel  
like you are home

i don't care  
what people think  
it's just because  
i like the skin i'm in  
come what may  
my love is true  
it's double shelter  
when i'm with you

i don't care  
what they might think  
can't leave you  
can't leave the skin i'm in  
come what may  
you must be true  
we stick together  
cause i'm in you

you see  
people can do you no harm  
do you feel  
the way i feel  
safe in your arms
