

# Sandra, We'll Be Together

days in blue  
an' nights in fever  
fall in Chinatown  
flames an' light  
a silent fire  
not a single sound

who used to cry for love  
time an' time again  
i used to cry for some love tonight

an' we'll be together  
with a little luck a little luck  
we'll be comin' out of the dark  
say you will  
say you'll come my way  
an' this means forever  
with a little luck a little luck  
we'll be comin' out of the dark  
say you will  
say you'll come

night is cold  
an' moon is flashin'  
in a lonesome dance  
i don't care  
cause you're beside me  
i can take my chance

it's like a wave  
that touched my skin  
an' i'll let you stay

we'll be together
