

Sandy, Bizarre

Last night
I was looking at the
starlight
wondering if you could ever
be mine
all I think about is you

Looking at the bright side of life my baby
that'll make you feel good in every way
searching for the ultimate place in heaven
will take you high

Be what you wanna be
do what you do
cause everybody is free to love you the way I do
be what you wanna be
do what you do
because I like the way you are
a little bit bizarre

Feel free
and think about the way you love me
I can't get enough so baby
touch me
I want you to make my day

Looking at the bright side of life my baby
that'll make you feel good in every way
searching for the ultimate place in heaven
will take you high

Be what you wanna be
do what you do
cause everybody is free to love you the way I do
be what you wanna be
do what you do
because I like the way you are
a little bit bizarre

Do what you wanna do
do what you wanna do
do what you wanna do
cause evrybody's free now

Be what you wanna be
do what you do
cause everybody is free to love you the way I do
be what you wanna be
do what you do
because I like the way you are
bizarre
Be what you wanna be
do what you do
cause everybody is free to love you the way I do
be what you wanna be
do what you do
because I like the way you are
a little bit bizarre
