

# Santana, All I Ever Wanted

(Carlos Santana, Chris Solberg, & Alex Ligertwood)

Well I told you 'bout your attitude  
And it didn't do me any good  
'Cause you took your love away  
Left me here alone with all this lonely heartache.

There are places I remember  
Where the ladies still are tender  
Against you they can't compare  
Baby we've just got to get it back together.

All I ever wanted was to be with you  
All I ever wanted was to be with you.

I just got to get it through to you  
That my loving heart is ever true  
Please come back to where you belong  
Girl you got to know I'll never do you wrong.

All I ever wanted was to be with you  
All I ever wanted was to be with you.  
Yeah you.  
Oh oh.

All I ever wanted was to be with you  
All I ever wanted was to be with you.

Well I told you 'bout your attitude  
And it didn't do me any good  
'Cause you took your love away.

All I ever wanted was to be with you  
All I ever wanted was to be with you  
All I ever wanted was to be with you  
All I ever wanted was to be with you  
You!
