## Santana, Watch Your Step

(Bobby Parker & Dil Belmonte)

You better take it easy baby Before you go away You did me dirty You'll get yours one day

Chorus:
You better
Watch your step...
Talkin' about you
Watch your step...
You better
Watch your step...

Keep your eyes open wide 'Cause you'll be hurtin' down inside

You better leave me all your money Before you go away Don't think I'm funny honey All I've got to say

## Chorus

'Cause when you took your love from me You left me full of misery I'm gonna be all right

## Chorus

When you need me by your side I'm gonna say go somewhere and hide Watch your step...
You better watch out baby everything you do I'm gonna keep my eyes focused, right on you
You better walk right baby
There's just one thing I know
You better watch your step...
When you need me by your side I'm gonna say go somewhere and hide
