

Santana, Why Don't You & I

Since the moment I spotted you
walking round with little wings on my shoes
My stomach's filled with the butterflies... and it's alright
Bouncing round from cloud to cloud
I got the feeling like I'm never gonna come down
If I said I didn't like it then you know I'd lied

Every time I try to talk to you
I get tongue-tied (turns out)
everything I say to you
Comes out wrong and never comes out right

So I'll say why don't you and I get together and take on the world
and be together forever
Heads we will and tails we'll try again
So I say why don't you and I hold each other and fly to the moon
and straight on to heaven
Cause without you they're never gonna let me in

When's this fever gonna break?
I think I've handled more than any man can take
I'm like a love-sick puppy chasing you around
And it's alright
Bouncing round from cloud to cloud
I got the feeling like I'm never gonna come down
If said I didn't like it then you know I'd lied

Every time I try to talk to you
I get tongue-tied (turns out)
everything I say to you
Comes out wrong and never comes out right

So I'll say why don't you and I get together and take on the world
and be together forever
Heads we will and tails we'll try again
So I say why don't you and I hold each other and fly to the moon
and straight on to heaven
Cause without you they're never gonna let me in

And slowly I begin to realize this is never gonna end
Right about the same time you walk by
And I say 'Oh here we go again'
Oohh..

Every time I try to talk to you
I get tongue-tied (turns out)
everything I say to you
Comes out wrong and never comes out right

So I'll say why don't you and I get together and take on the world
and be together forever
Heads we will and tails we'll try again
So I say why don't you and I hold each other and fly to the moon
and straight on to heaven
Cause without you they're never gonna let me in

So I'll say why don't you and I get together and take on the world
and be together forever
Heads we will and tails we'll try again
So I say why don't you and I hold each other and fly to the moon
and straight on to heaven
Cause without you they're never gonna let me in
