

# Sara Evans, Cryin' Game

Do me right, don't do me wrong  
Treat me nice, or I'll be gone  
I know where to find the door  
Ain't gonna play the cryin' game no more  
Ain't gonna play the cryin' game no more

Tell me truth, don't tell me lies  
Don't wanna hear no alibis  
I've been down that road before  
Ain't gonna play the cryin' game no more  
Ain't gonna play the cryin' game no more

Give me love I can believe in  
Give me love I'm able to trust in  
Show me you are ready and willing  
To stand by me like I stand by you

Bring me joy, don't bring me pain  
I've seen enough of the pouring rain  
Show me love's what you're living for  
Ain't gonna play the cryin' game no more  
Ain't gonna play the cryin' game no more

Do me right, don't do me wrong  
Treat me nice or I'll be gone  
I know where to find the door  
Ain't gonna play the cryin' game no more  
Ain't gonna play the cryin' game no more  
Ain't gonna play the cryin' game no more  
Ain't gonna play the cryin' game no more
