

Sarah Brightman, Come Back With The Same Look

I will see you in a week or two.
It's late, you better get going.
Take care of yourself and call any time you feel that you're missing me.
I can only say what I always say at these goodbyes.
Come back with the same look in your eyes.

I know you've got your work to do, and I know how much you love me, but sometimes a friendly face
If there comes a time just remember I'm the kind that cries.
Come back with the same look in your eyes.

So I'll see you in a week or two.
It's late, you better get going.
You'd think by now we'd know how to handle this but we never will.
When you are away, ev'ry day I pray that nothing dies, so come back with the same look in your eyes.

Everything we want we find in each other.
We would be fools to let love slip away.
Everything's so right.
I'm scared that we might lose it one day.

We could never keep things from one another.
You know all the feelings that are in my heart.
It's not easy, it's not easy, when you have to be apart.

So I'll see you in a week or two.
It's late, you better get going.
You'd think by now we'd know how to handle this but we never will.
When you are away, ev'ry day I pray that nothing dies, so come back with the same there in your eyes.
Don't you know it agree, don't you know it agree, don't you know it agree, don't you know it 'til the...

We could never keep things from one another.
You know all the feelings that are in my heart.
It's not easy, it's not easy, when you have to be apart.
So I'll see you in a week or two.
Go on, you better get going.
You'd think by now we'd know how to handle this but we never will.
When you are away, ev'ry day I pray that nothing dies, so you'll come back with the same look.
Please come back, with the same look.
Oh come back with the same look in your eyes.
