Sarah Brightman, Half A Moment

Half a moment
We are together
I shall want no-one else
And nothing new.
Half a moment
I shall treasure,
Keep it locked away
For some future rainy day.

Should you leave me With just this moment In my mind I shall capture it anew, Like some picture Taken in my childhood Half a moment Spent with you.

Half a moment I shall treasure, Keep it locked away For some future rainy day.

Should you leave me With just this moment In my mind I shall capture it anew, Like some picture Taken in my childhood Half a moment Spent with you.

Countless vivid memories Spin before my view, Like some toy kaleidoscope Images of you.

Time looks kindly
On fleeting lovers
They can turn the briefest hour
Into a day
Turn a moment
To a lifetime
Making it to last
Blending future with the past.

We're together,
What else can matter?
Even though
Half a moment is too few
I shall save it
'Til I have another
Making one whole moment
Filled with you.
