

Sarah Brightman, How Can Heaven Love You

Sarah brightman
Fell from the grace of heaven's prow

Chris thompson
Listening as the abyss calls our name

Sarah brightman
Descending stars from golden clouds

Chris thompson
Falling to the rage of angels

Sarah brightman
Bringer of light from on high
Bound to the earth and unable to fly...

Chris thompson
I don't know?
I don't know?
I don't know?
How can heaven love me

Sarah brightman
You don't know?
You don't know?
You don't know?
How can heaven love you

We loved in a time before the fall

Chris thompson
Welcome to the arms of solitude

Sarah brightman
Beneath us the heat that hearts exude

Chris thompson
Is this really heaven?

Sarah brightman
We'd fight with the gods for our dreams
Where paradise falls eternity screams

Chris thompson
I don't know?
I don't know?
I don't know?
How can heaven love me

Sarah brightman
You don't know?
You don't know?
You don't know?
How can heaven love you

Chris thompson
Die welt ein tor
Zu tausend wsten stumm und kalt
Wer das verlor, was du verlorst
Macht nirgends halt
The world is a gate
To thousand deserts mutely and coldly
He is lost, which you lost

Stopped by nothing
In my arm I shall hold

Sarah brightman
Crystallized as starlight
Lost in paradise

Chris thompson
I don't know?
I don't know?
I don't know?
How can heaven love me
I don't know...

How can heaven love me?
