

Sarah Brightman, Human Again

When we're human again
Only human again
When the girl fin'ly sets us all free
Cheeks a-bloomin' again
We're assumin' again
We'll resume our long lost joie de vie
We'll be playin' again
Holiday' again
And we're prayin' it's A-S-A-P
When we cast off this pall
We'll stand straight, we'll walk tall
When we're all that we were
Thanks to him, thanks to her
Coming closer and closer
And closer and
We'll be dancing again!
We'll be twirling again!
We'll be whirling around with such ease
When we're human again
Only human again
We'll go waltzing those old one-two-threes
We'll be floating again!
We'll be gliding again!
Stepping, striding as fine as you please
Like a real human does
I'll be all that I was
On that glorious morn
When we're fin'ly reborn
And we're all of us human again!
