## Sarah Brightman, Human Again

When we're human again Only human again When the girl fin'lly sets us all free Cheeks a-bloomin' again We're assumin' again We'll resume our long lost joie de vie We'll be playin' again Holiday' again And we're prayin' it's A-S-A-P When we cast off this pall We'll stand straight, we'll walk tall When we're all that we were Thanks to him, thanks to her Coming closer and closer And closer and We'll be dancing again! We'll be twirling again! We'll be whirling around with such ease When we're human again Only human again We'll go waltzing those old one-two-threes We'll be floating again! We'll be gliding again! Stepping, striding as fine as you please Like a real human does I'll be all that I was On that glorious morn When we're fin'lly reborn And we're all of us human again!
