

Sarah Brightman, Il Mio Cuore Va (English - My Heart Will Go On)

Every night in my dreams,
I see you, feel you,
Thus I know you are there.
You, from immense spaces,
From great distances,
You came and I know you are there.

Here, there, wherever you are,
I can feel that my heart will go on.
Once more you'll open that door,
And you'll be in my heart,
And my heart will go on and on.

This love can last
For a lifetime,
If we are together, you and I.
I've always been in love with you,

I held you tight
And our love will live forever.

Here, there, wherever you are,
I can feel that my heart will go on.
Once more you'll open that door,
And you'll be in my heart,
And my heart will go on and on.

You are here, there is nothing to fear,
I can feel that my heart still goes on.
We will stay for ever this way,
My heart will shelter you,
And my heart will go on and on.
