

Sarah Brightman, Nothing Like You've Ever Known

Nothing like you've ever known.
That's the life I thought that you were gonna show me.

Lonely girls leave such things.
That's one happy ever after that you owe.

Married man, always looking at your watch.
I wanted to spend more time than twelve till two, loving you.

And nothing like it could have been.
Every time I think it's gonna be the last time.

Each time I expect too much.
Being wrong can get to be a painful past time.

Something new, that is all it was, you know.
But when you need someone, any love will do.
Sad, but true.

And nothing like we've ever known.
That is how I thought that our tomorrow's would be.

I thought we, were all we'd need.
Goes to show you just how wrong two people could be.
