

# Sarah Brightman, Only You

Cliff  
Only you  
Have the power to move me  
And together we'll make  
The whole world move in sympathy  
But I could not see before

Sarah  
Only you  
Have the power to move me

Both  
Take me, hold me, mould me  
Change me and improve me

Cliff  
It's not funny anymore  
There was I

Sarah  
There was I

Cliff  
Wondering why

Sarah  
I was wondering why

Cliff  
Every day

Both  
Disappeared into the distance

Sarah  
Now with you  
The light is shining through

Both  
You gave me life not just existence

Cliff  
Only you

Sarah  
You are the starlight

Cliff  
Have the power to move me

Both  
And together we'll make  
The whole world move in sympathy

Cliff  
Only you,  
Have the power to move me

Sarah  
Move me  
There was I

Cliff  
There was I

Sarah  
Wondering why

Cliff  
Wondering why

Both  
Every day disappeared into the distance  
Now with you  
The light is shining through  
You gave me life not just existence

Sarah  
Only you

Cliff  
Only you

Both  
Have the power to move me  
And together we'll make  
The whole world move in sympathy

Sarah  
But I could not see before

Cliff  
I couldn't see it before

Sarah  
That only you

Both  
Have the power to move me  
Take me, hold me, mould me  
Change me and improve me

Sarah  
Only you

Cliff  
Only you,

Sarah  
Have the power

Both  
To move me
