

# Sarah Connor, Love Is Color-Blind

(feat. TQ)

It don't matter if you're black  
White or yellow, if you're brown or red  
Let's get down to that  
Love is color-blind

[Verse 1:]

I remember when  
I was a child and couldn't understand  
People having fun  
Discriminating all the different ones  
Mama just used to say  
When you grow up you'll maybe find a way  
To make these people see  
That everything I do comes back to me

[Bridge:]

You gotta live your life  
We're all the same, no one's to blame  
They gotta live their lives  
Just play the game and let love reign

[Chorus:]

It don't matter if you're black  
White or yellow, if your brown or red  
Let's get down to that  
Love is color-blind  
You're my brother, you're my friend  
All that matters in the very end  
Is to understand  
Love is color-blind

[TQ:]

I remeber as a young boy  
I watched my neighbourhood go up in flames  
I saw the whole thang thru tears of pain  
And a situation's rackin' my brain  
I wish I could fly away and never come back again  
We need some lvoe y'all  
We need some real deal help from above y'all  
I mean the kids watchin'  
And I just can't see it stoppin', I don't understand  
I mean we all bleed the same blood, man!

[Bridge:]

You gotta live your life  
Better than our fathers did  
Let's make some love, baby, have some kids  
They gotta live their lives  
And I don't care what color they are, or u are, or we are  
It's all love, baby!

[C-Part:]

You have been my mother  
You could have been my brother  
What if you were my sister  
If you were my father?  
You could have been my fella  
You could habe been my teacher  
What if you were my friend?  
Would be so nice to meet ya

[Verse 2:]

Take it out to the world  
Tell every boy and every little girl  
Be proud of yourself  
Cause you're as good as anybody else  
Put away your prejudice  
Open your mind, don't need a stick to this  
Try to make this earth  
A better place without a racial curse

[TQ:]  
Yeah, it's time for some changes

[Chorus]
