

# Sarah Connor, Man Of My Dreams

[Verse 1:]

I remember the first day I met you  
All I thought was damn how can I get you  
You below my mind in a very special way  
Impossible for me to get away  
Since that day you're creeping in my mind  
Silky velvet ocean of green eyes  
I'm dreaming of the day we meet again  
But this time I won't let you slip away

[Chorus:]

Man of my dreams  
Come in my life and fill my nights  
With emotions and bliss  
I wanna get to know your everything  
Man of my dreams  
There ain't no extreme there is no price  
You don't have to compromise  
I know you are my size

[Verse 2:]

Yesterday you took me by surprise  
When you called just to see if I'm alright  
My heart was jumping suffered an attack  
Impossible for me to catch my breath  
Here I am the feeling is so right it's mutual and strong  
'Cause tonight is the night  
Just let it flow the way it wants to go no need to hesitate our star shines bright

[Chorus 3x]
