

Sarah Connor, One Day I'll Fly Away

I make it alone
When love is gone
Still you made your mark
Here in my heart

One day I'll fly away
Leave your love to yesterday
What more can your love do for me
When will love be through with me

I follow the night
Can't stand the light
When will I begin
My life again

One day I'll fly away
Leave your love to yesterday
What more can your love do for me
When will love be through with me
Why live life from dream to dream
And dread the day
When dreaming ends

One day I'll fly away
Leave your love to yesterday
What more can your love do for me
When will love be through with me
Why live life from dream to dream
And dread the day
When dreaming ends
