

# Sarah Connor, Thank You

[Verse 1]

There's no greater love  
There's no greater joy  
Then when I felt your life growing inside of me  
God has given me a gift so precious  
He must have made you from a cloud and angel's wings

[Bridge]

Now that you've come into my life  
Without you I know I can't survive  
No... 'cause you're the reason that I live each day

[Chorus]

And I wanna thank you for all that your are  
Thank you for being my light when it's dark  
Thank you for bringing me joy each day  
I'm loving you more than words can say

Thank you for givin' my life a new song  
Givin' me reason to wanna stay strong  
Thank you for everything that you've done  
You are my life, my soul, my son

[Verse 2]

You've come and changed my life  
'Cause what I feel inside  
Is a joy I know I've never had before  
And though I'll make mistakes  
There's something you should know  
I dedicate my love and life to you

[Bridge]

Now that you've come into my life  
Without you I know I can't survive  
'Cause you're the reason that I live each day

[Chorus]

And I wanna thank you for all that your are  
Thank you for being my light when it's dark  
Thank you for bringing me joy each day  
I'm loving you more than words can say

Thank you for givin' my life a new song  
Givin' me reason to wanna stay strong  
Thank you for everything that you've done  
You are my life, my soul, my son
