

# Sarah Connor, Under my skin.

1. You're not the type of man to shake  
my hand like nice to meet ya.  
You pull me in and then begin to let  
your body say:  
all is possible, now I know  
woooooaaawooooaaoo  
The lights are dimmed  
and takes my limit of a million meters  
Your breakin' my chains again  
But nothin' remains the same  
Now I'm hypnotized, realized  
woooooaaawooooaaoo.

Ref. When we touch, I can feel we've got a  
chemistry  
Can't get enough, watch out when you  
stand so close to me  
I've got youuuuuu under my skin.  
When we touch, I can feel we've got a  
chemistry  
Can't get enough, watch out when you  
stand so close to me  
I've got youuuuuu under my skin.

2. It turns me on when I'm your pupil  
you're my teacher (teacher)  
Get in position that's my mission on  
the floor tonight  
I've been exercised, sensitized  
woooooaaawooooaaoo.  
The way that you performed the  
clothes are torn right off then ripped  
shackin' the room again  
I'm taming the beast within  
And if they ask me why, can't deny.  
woooooaaawooooaaoo.

Ref. When we touch, I can feel we've got a  
chemistry  
Can't get enough, watch out when you  
stand so close to me  
I've got youuuuuu under my skin.  
You set me off  
I can't wait to feel your hands on me  
And when we rock  
feels just like the devils ridin' me  
I've got youuuuu under my skin.

Come over here boy  
I want you one on one  
I made it clear boy  
I want to have some fun  
I've got youuuu, i want youuuu  
I've got this feelin'  
And it just won't stop  
It's gettin' so hot  
Come help me take this off  
I've got youuuu  
i want youuuu  
Under my skin

Ref. When we touch, I can feel we've got a  
chemistry  
Can't get enough, watch out when you  
stand so close to me  
I've got youuuuuu under my skin.  
You set me off  
I can't wait to feel your hands on me  
And when we rock

feels just like the devils ridin' me  
I've got youuuuu under my skin.  
When we touch, I can feel we've got a  
    chemistry  
Can't get enough, watch out when you  
stand so close to me  
I've got youuuuuu under my skin.
