

# Sarah Connor, Where Do We Go From Here

Verse 1:

No matter how hard I try  
A love like that keeps pushing me inside  
But after all is said and done  
You're gonna be the only one  
I wish - that you were near me now  
And get tangled - heart to heart  
I never felt a love like this before  
You're the one I adore

Chorus:

Boy - come to me cause love won't wait  
Make up your mind, babe it's not too late  
Boy - I can feel there's love around  
Uuhhh Baby  
Treat me like a lover  
Sweet words of love I gave to you  
Let yourself go, cause I'm feelin' blue  
In my mind - you were always near  
Uuhhh Baby  
Where do we go from here

Verse 2:

So tell me now can there ever be  
Anyone else - for you but me  
No other love can take your place  
Or match the beauty of your face  
I need - to hold U in my arms  
I got that lonely feeling again  
You trapped me in - don't wanna waste my time  
Please help me to ease my mind

Chorus

Just like a planet needs water  
Love needs a heart to survive  
I hope that sooner or later  
You'll realize

Chorus
