

# Sarah Fimm, Be Like Water

Dont chase girls, dont get too close,  
Dont get caught, dont get spent  
Dont get bought  
Dont sell out, dont get bent  
Dont fuck your best friend  
If everything is just the way it should be  
Why am I why am I still hungry  
Be like Water  
Dont be shy, dont shut your eyes  
Dont get high  
Expand your Mind.  
Dont keep in touch, dont touch yourself  
Dont ever want to be somebody else.  
When everything is bad as it can be  
Never be never be angry  
Be like Water  
Must be the answer you want  
Im not your slave  
Im not the one who burnt you out  
Fucked you up and put you on  
Broke you down  
Ask someone else  
To be that someone  
I cant be that someone who can  
Be like Water  
Why cant I be the answer you want?
