

Sarah Fimm, Be Like Water

Dont chase girls, dont get too close,
Dont get caught, dont get spent
Dont get bought
Dont sell out, dont get bent
Dont fuck your best friend
If everything is just the way it should be
Why am I why am I still hungry
Be like Water
Dont be shy, dont shut your eyes
Dont get high
Expand your Mind.
Dont keep in touch, dont touch yourself
Dont ever want to be somebody else.
When everything is bad as it can be
Never be never be angry
Be like Water
Must be the answer you want
Im not your slave
Im not the one who burnt you out
Fucked you up and put you on
Broke you down
Ask someone else
To be that someone
I cant be that someone who can
Be like Water
Why cant I be the answer you want?
