

# Sarah McLachlan, World On Fire

Hearts are worn in these dark ages  
You're not alone in this story's pages  
The light has fallen amongst the living and the dying  
And I'll try to hold it in  
Yeah I'll try to hold it in

The world's on fire  
It's more than I can handle  
Tap into the water  
Try and bring my share  
Try to bring more  
More than I can handle  
Bring it to the table  
Bring what I am able

I watch the heavens but I find no calling  
Something I can do to change what's coming  
Stay close to me while the sky is falling  
I don't wanna be left alone.. don't wanna be alone

The world's on fire  
It's more than I can handle  
Tap into the water  
Try and bring my share  
Try to bring more  
More than I can handle  
Bring it to the table  
Bring what I am able

Hearts break, hearts mend  
Love still hurts  
Visions clash, planes crash  
Still there's talk of  
Saving souls, still the cold  
is closing in on us

We part the veil on our killer sun  
Stray from the straight line on this short run  
The more we take the less we become  
The fortune of one man means less for some

The world's on fire  
It's more than I can handle  
Tap into the water  
Try and bring my share  
Try to bring more  
More than I can handle  
Bring it to the table  
Bring what I am able
