Sarah Sadler, Beautiful

When I'm with you I see the world in a different way You shine so bright

When I'm close to you I feel the way that you really are It moves my heart

You make me want to be So beautiful You make me want to be Just like you Beautiful

I think about you And how you change everything you touch I love you so much

You amaze me You lift me up to a higher place Put a smile on my face

You make me want to be So beautiful You make me want to be Just like you (x2) Beautiful

You make me want to be So beautilful You make me want to be Just like you (x2)

Beautiful (x5)
