

# Sarah Vaughan, How Important Can It Be

Its the wrong time and the wrong place  
Though your face is charming its the wrong face  
Its not his face, but such a charming face  
That its all right with me.

Its the wrong song in the wrong style  
Though your smile is lovely its the wrong smile  
Its not his smile, but such a lovely smile  
That its all right with me.

Chorus:

You cant know how happy I am that we met  
Im strangely attracted to you  
There is someone Im trying so hard to forget  
Dont you want to forget someone to?

Repeat chorus

Its the wrong game, with the wrong chips  
Though you lips are tempting theyre the wrong lips  
Theyre not his lips but theyre such Tempting lips  
That if some night you are free  
Well its all right, yes its all right  
Baby dont you know its all right with me
