

Saratan, Asha

Incandescent divine spark, the purest truth
Cue of Asha Vahishta, the righteousness
Amesha Spenta
Holy dominion

Both generous and immortal, the timeless being
Divine entity, beside Vohu Manah
Amesha Spenta
Sacred existence

Asha, in fire's glare you'll be found,
Clarity - essence of life
The flare, the guiding light
Asha, in fire's glare you'll be found,
Brilliance - essence of life
The unextinguished glow
The light
