

# Sarina Paris, Angel

Angel  
by: Sarina Paris

Here in my eyes....

Your so insecure around me  
Boy, I don't know why  
When you know just how I feel  
What can I do to show you it's real?

Shall I climb up to a mountain top  
Or swim across the sea?  
Nobody ever put all the butterflies  
You got flying inside of me  
And as they rest

I tell you you're my angel  
Fly with me my angel  
Take me to your world  
I'll show just how much you mean to me  
Angel, fly with me my angel  
Fallen from the sky  
And straight into my heart

Well I've been in and out  
Of what I thought was love too many times  
When you looked into my eyes  
You made me weak  
I quivered inside

Baby, you don't realize  
When you are near I touch the sky  
'Cause you came along  
Put wings around my heart  
Took me to the other side of love

Cause you're my angel  
Fly with me my angel  
Take me to your world  
I'll show just how much you mean to me  
Angel, fly with me my angel  
Fallen from the sky  
And straight into my heart

Here in my eyes...

Cause you're my angel  
Fly with me my angel  
Take me to your world  
I'll show just how much you mean to me  
Angel, fly with me my angel  
Fallen from the sky  
And straight into my heart
