

Sarina Paris, This Is My Life

this is my life oOoO
what should i change it for?
this is my life oOoO
can't you just leave me alone?
this is my life oOoO
so why should I end it all?
this is my life oOoO
why should i ask for more?

why don't you stay?
again you tell me you love me so
don't go away
you shout and I'm just gone
and if I remain
no-one can be enough for you
I look in your eyes
I know you shall be strong

this is my life oOoO
what should i change it for?
this is my life oOoO
can't you just leave me alone?
this is my life oOoO
so why should I end it all?
this is my life oOoO
why should i ask for more?

I stay by myself
it's like you're lost in memories
but moments are there
they never will be gone
but if I remain
how can we grow together now?
sit down for a while
and touch my hand again

this is my life oOoO
what should i change it for?
this is my life oOoO
can't you just leave me alone?
this is my life oOoO
so why should I end it all?
this is my life oOoO
why should i ask for more?
