

Sasha, Here She Comes Again

Music: Michael B. & di Lorenzo

Lyrics: Michael B., di Lorenzo & Pete Smith

Met a girl and wrote a letter - to get her

Asking her if she could fill a hole in my heart

Now I got myself all messed up - just my luck

That she won't be buying

And I should stop trying

Bought myself a brand new logo - it's HUGO

But she don't notice me - no matter how hard I try

Looked into a super hair-do - as you do

Kidding myself I'm a much cooler guy

Chorus

And here she comes again

She's my one out of ten

I love her endlessly

But she don't me

Maybe she thinks I'm a loser - to choose her

But I can't seem to get her out of my mind

Is it I'm dressed like a dummy - oh honey,

I'm not that outdated just so underrated

Got a feeling like a phoney - baloney

But I'd die for her if she would only be mine

Just one look this way would do me - truly

You say hello before you say goodbye

Chorus

And here she comes again

She's my one out of ten

I love her endlessly

But she don't me
