

# Sasha Lopez, All My People (feat. Andreea D & E

All my people on the floor, we party all night  
We want some more, we wanna see some more  
We're about to turn it on under the light  
We never stop, we roll, we roll, we roll...

Yes, Sasha Lopez,  
He wants to see your body move  
Tout le monde, tout le monde!  
We're ready for the world  
Let's go!

Hey mister lover, I need a dancer  
To make me shake my booty  
To make me break the floor  
So show me your moves  
You're sexy, you're smooth  
You make me wanna touch, touch  
Hey-a
