We want some more, we wanna see some more
We're about to turn it on under the light
We never stop, we roll, we roll, we roll...

He wants to see your body move
Tout le monde, tout le monde!
We're ready for the world

To make me shake my booty
To make me break the floor
So show me your moves
You're sexy, you're smooth
You make me wanna touch, touch
Hey-a
