

Satanic Surfers, Got To Throw Up

we spend eight hours on the road
just to put up a shitty show few appreciate we play our set and go...
to where ever it is that we're gonna stay tonight and now that the tension is gone
we laugh at our mistakes let go of the breaks have a few beers and relax
have a few beers with our friens we bring some friends and our gear in the van
that's why were always too late lucifer doesn't go too fast
and we're not always feeling so great 5 cups of coffee,
1 or 2 beers then I'm in shape for an intense shit-break
before I can go up on stage coffee drinking, always stinking
still brings out the best in me the smelly farts, the crapy jkes
the stomacheases, headaches the laughs and the.....
