

# Saturnus, Thou Art Free

Look towards the forest  
and meet your insignificance  
feel the warmth of the ancient fires  
look towards the forest  
There won't be no tonight  
the world dies with her  
There won't be no tonight  
she's long gone  
" Love is dead and thou art free  
she doth live but dead to thee "  
Look towards the raven  
as he flies away in the dark  
look towards the night  
that took your love away  
There won't be no tonight  
the world dies with her  
There won't be no tonight  
she's gone forever  
" Love is dead and thou art free  
she doth live but dead to thee "
