

# Savage, A Love Again

When I'm walking like a fool  
Full of memories...  
I'm stepping on a dream  
Destiny...

Tell me how looks on to you  
Turn of fortune wheels?  
I really wanna see...

While I'm looking for your code  
Where I saw your eyes...  
I'm dreaming on a screen  
Fantasy...

Oooh, tell me what to do?  
Tell me what to do?  
Tell me what to do?

A love again...  
(Tonight)  
Lovely far away...  
(So far away)  
A love again...  
(Tonight, tonight, tonight)

I will falling deep in love  
Fairy-tale to play...  
I'm searching for you too  
Look at me...

Oooh, tell me what to do?  
Tell me what to do?  
Tell me what to do?

A love again...  
(Tonight)  
Lovely far away...  
(So far away)  
A love again...  
(Tonight, tonight, tonight)
