

Savage Garden, Dro Loving Carla

it's great when were together and play
beautiful you really are one of a kind
everybody usually ends up breaking up
tearing and throwing everything they had to say
but you are the best thing ever
hottie heres why we will always stay (yeah)

forever we will be together
were gonna be with each other
forever
you are the one who takes me away
were gonna be with each other forever
we have love with that secret key
were gonna be with each other forever
my pretty angel
your the one who makes me feel this great way
were gonna be with each other forever

its great when were together and play
beautiful you really are one of a kind
i'll be loving you even when i die
youve gave me a perfect life
nobody will ever get inbetween
you are the only one for me
were gonna be together forever

forever we will be together
were gonna be with each other
forever
you are the one who takes me away
were gonna be with each other forever
we have love with that secret key
were gonna be with each other forever
my pretty angel
your the one who makes me feel this great way
were gonna be with each other forever

baby yeah
you are all i want to see
baby yeah
this is for you cause your with me
baby i got you
our love will grow endlessly
forever with you
yeah beauty is you and your loving me

we have no need to worry about
anything because we have all faith and sound
nothing ever will end our love or bring us down
im loving you and your loving me
thats all that counts
anybody say different about this
is cause they jelous about us in loviness
we will never end or be brought down
im loving you and you loving me
thats what ive had to say (yeah)

forever we will be together
were gonna be with each other
forever
you are the one who takes me away
were gonna be with each other forever
we have love with that secret key
were gonna be with each other forever

my pretty angel
your the one who makes me feel this great way
were gonna be with each other forever
forever we will be together
were gonna be with each other
forever
you are the one who takes me away
were gonna be with each other forever
we have love with that secret key
were gonna be with each other forever
my pretty angel
your the one who makes me feel this great way
were gonna be with each other forever
Carla I Love You
