

# Savage Garden, Gunning Down Romance

Love and other moments are just chemical reactions in your brain  
In your brain  
And feelings of aggression are the absence of the love drug in  
Your veins, in your veins  
Love come quickly  
Because I feel my self-esteem is caving in  
It's on the brink  
Love come quickly  
Because I don't think I can keep this monster in  
It's in my skin

Love and other socially acceptable emotions are morphine  
They're morphine  
Cleverly concealing primal urges often felt but rarely seen  
Rarely seen  
Love I beg you  
Lift me up into that privileged point of view  
The world of two  
Love don't leave me  
Because I console myself that HallmarkT cards are true  
I really do

I'm gunning down romance  
It never did a thing for me  
But heartache and misery  
Ain't nothing but a tragedy

Love don't leave me

Take these broken wings  
I'm going to take these broken wings  
And learn to fly  
And learn to fly away  
And learn to fly away

I'm gunning down romance
