

Savage Garden, Insatiable (Darren Hayes)

when moonlight crawls along the street
chasing away the summer heat
footsteps outside somewhere below
the world revolves i let it go
we build our church above the streets
we practice love between these sheets
the candy sweetness scent of you
it bathes my skin
i'm stained by you

and all i have to do is hold you
there's a racing within my heart
and i am barely touching you

turn the lights down low
take it off let me show
my love for you insatiable

turn me on never stop
wanna taste every drop
my love for you insatiable baby

the moonlight plays upon your skin
a kiss that lingers takes me in
i fall asleep inside of you
there are no words there's only truth
breathe in breath out there is no sound
we move together up and down
we levitate our bodies soar
our feet don't even touch the floor

and nobody knows you like i do
cause the world babe don't understand
but i grow stronger in your hands

turn the lights down low
take it off let me show
my love for you insatiable

turn me on never stop
wanna taste every drop
my love for you insatiable baby

we never sleep we're always holding hands
kissing for hours, talking, making plans
i feel like a better man
just being in the same room
and we never sleep there's just so much to do
so much to say
can't close my eyes when i'm with you
insatiable, the way i'm loving you baby

turn the lights down low
take it off let me show
my love for you insatiable

turn me on never stop
wanna taste every drop
my love for you insatiable baby
