

Savage Garden, This Is Where I Belong

Here I stand in the northern rain,
And I can't believe I am home again,
And I can't believe how nothing's changed,
I'm finding my way.
Old park bench, where I carved my name,
But now it doesn't stand alone.
'cause now the trees have over grown,
Many a road that I have traveled, that has led me astray,
Here's where my heart's gonna stay.

This is where I belong,
This is where I come from,
No need to shed my tears,
Or face my fears anymore. Ah...

So I won't walk alone,
Taking things on my own,
All of the lands I'm roamed,
Memories of my home,
They keep beating strong,
'cause this is I belong .

There you stood in the open door,
Just like so many years before,
When I told you that I need you more in my life,
I was wrong to ever walk away,
Abandon all the love that we made,
But now I've learned from all my mistakes,
Just like a star in the sky,
Guiding me on,
Your love is pulling me home.

This is where I belong,
This is where I come from,
No need to shed my tears,
Or face my fears anymore. Ah...

So I won't walk alone,
Taking things on my own,
All of the lands I'm roamed,
Memories of my home,
They keep beating strong,
'cause this is I belong .

Just like a star in the sky,
Guiding me on,
Your love is pulling me home.

This is where I belong,
This is where I come from,
No need to shed my tears,
Or face my fears anymore. Ah...

So I won't walk alone,
Taking things on my own,
All of the lands I'm roamed,
Memories of my home,
They keep beating strong,
'cause this is I belong .

Right here ,
Right now ,
This is where I belong.

I am coming alone,
I am coming home .
This is where I belong.

This is where I belong.
Here I stay,
Here I'm in the northern rain.
Right here ,
Right now ,
This is where I belong.
This is where I belong.
