Savage Garden, To The Moon And Back

She's taking her time making up the reasons

To justify all the hurt inside

Guess she knows from the smiles and the look in their eyes

Everyone's got a theory about the bitter one

They're saying, " Mama never loved her much"

And, " Daddy never keeps in touch

That's why she shies away from human affection"

But somewhere in a private place

She packs her bags for outer space

And now she's waiting for the right kind of pilot to come

And she'll say to him

I would fly to the moon and back if you'll be...

If you'll be my baby

Got a ticket for a world where we belong

So would you be my baby?

She can't remember a time when she felt needed

If love was red then she was color blind

All her friends they've been tried for treason

And crimes that were never defined

She's saying, "Love is like a barren place,

And reaching out for human faith

Is like a journey I just don't have a map for"

So baby's gonna take a dive and

Push the shift to overdrive

Send a signal that she's hanging

All her hopes on the stars

What a pleasant dream

I would fly to the moon and back if you'll be...

If you'll be my baby

Got a ticket for a world where we belong

So would you be my baby?

Mama never loved her much

And, Daddy never keeps in touch

That's why she shies away from human affection

But somewhere in a private place

She packs her bags for outer space

And now she's waiting for the right kind of pilot to come

And she'll say to him

I would fly to the moon and back if you'll be...

If you'll be my baby

Got a ticket for a world where we belong

So would you be my baby?

I would fly to the moon and back if you'll be...

If you'll be my baby

Got a ticket for a world where we belong

So would you be my baby?
